

# Instructions for ordering eagle feathers

## **First order**

Send the last page to your tribe for them to certify you are enrolled.

When you get that page back from your tribe, complete pages one and two. (You will not be able to get a whole eagle sent to the prison.) The addresses for the enrollment offices are shown on the next page.

**You will only be allowed to order eagle feathers once while you are in prison here, per Federal regulations,** and you can order up to the equivalent of one eagle (wings and tail.) Whole eagles aren't allowed here.

Send all three pages of completed forms, including the certification of enrollment from your tribe, to:

U.S. Fish and Wildlife Service  
Migratory Bird Permit Office  
P.O. Box 25486  
DFC(60154)  
Denver, CO 80225-0486

## **For a re-order:**

Send the first two pages of completed forms to:

National Eagle Repository  
6550 Gateway Road, RMA, Bldg 128  
Commerce City, CO 80022

The repository contacts us by email before sending out feathers to make sure you are still here. If you've been moved to another SD facility, I let them know.

If you get out before receiving your feathers, you may call the repository at (303) 287-2110 to give them your new address, write to them at the Commerce City address, or send an email to [repository@fws.gov](mailto:repository@fws.gov).

Questions? Ask someone else who has eagle feathers or kite me in the chapel.
